Division of Environmental & Occupational Epidemiology

Healthy Homes Section
201 Townsend
P.O. Box 30195
Lansing, MI 48909

Phone: (517) 335-9390
or toll-free (866) 691-LEAD (5323)
Fax: (517) 335-8800

The Healthy Homes Section provides four primary functions that address the reduction of lead-based paint poisoning throughout the State of Michigan, including:

- Administration of HUD Lead Hazard Control funds to abate lead-based paint hazards in 8 high- risk counties; Clean Michigan Initiative bond funds are also currently being used by the program to make homes throughout the state lead-safe for young children.
- Public and professional education presentations and materials.
- Certification of lead inspectors, risk assessors, abatement workers, supervisors, clearance technicians, abatement contractors, Elevated Blood Lead (EBL) Investigators, and the accreditation of training providers.
- Enforcement of certification, accreditation and work practice standards established by the Lead Abatement Act of 1998 and associated Administrative Rules.
